Preview

Premier Division

New leaders **Bromsgrove Sporting** will hope to consolidate top spot when they travel to The Coppice to face 8th placed **Highgate United**. 2nd placed **Coleshill Town** travel to **Long Eaton United** who have had some improved results at Grange Park. **Sporting Khalsa** are on a long unbeaten run and could go top if results go their way this weekend. They will have a tough battle on the pitch as they face 5th placed **Coventry United** at the CKW Stadium. **Worcester City** have games in hand on the top three and they will hope to maintain pressure on the sides around them when they welcome **Haughmond** to The Victoria Ground. **Coventry Sphinx** have made great strides this season and are unbeaten under the reign of Lee Knibbs. They welcome **Quorn** to Sphinx Drive with the visitors just outside the relegation zone. A game that promises a lot is at The Town ground as **Heanor Town** entertain **Westfields** with both sides having plenty of games in hand on the sides above them. **Boldmere St Michaels** remain anchored to the foot of the table and they welcome **AFC Wulfrunians** to the Trevor Brown Memorial ground looking for their 2nd win of the season. **Shawbury United** are second bottom and are finding the net regularly but unfortunately for them so are their opponents. They welcome **Shepshed Dynamo** to the Ludlow Stadium and goals must again be on the menu. **Rocester** slipped into the bottom three in midweek and they have an early kick off at mid-table **Rugby Town**. **Stourport Swifts'** good run was ended by Sporting Khalsa last weekend and they face the short trip to **Lye Town** who have slipped down the table in recent weeks. **South Normanton Athletic** had a much needed win in midweek to climb out of the relegation zone and they travel to **Loughborough University** where a win would see them climb above their hosts.

Division 1

Leaders **Studley** have opened a 7-point lead at the top of the table, but they face a stern test at The Beehive on Saturday when 6th placed **Atherstone Town** are the visitors. 2nd placed **Walsall Wood** travel to bottom club **Coventry Alvis** who play their first game under their new management team. A change at the top can often bring a change of results and it will be interesting to see how this one pans out. It is a big local derby at St Johns Park with 5th placed **Hinckley AFC** hosting 4th placed **Leicester Road**. With both sides losing ground on the leaders, a win is all-important not least for local bragging rights. **Ilkeston Town** are flying in third place and they welcome **Paget Rangers** to The New Manor Ground with Paget looking to bounce back from last week's defeat at home to Racing Club Warwick. There should be plenty of goals at **Lichfield City** where **Heather St Johns** are the visitors. **Coventry Copsewood** can move into the top 6 if they can take all three points from **Stafford Town**, who have lost their last 5 league games, at Evans Park. An important game near the foot of the table see 18th placed **Brocton** welcome 21st **Pershore Town** to Silkmore Lane. If it's goals you are looking for, The Coppice Colliery Ground must be the place. There have been 77 goals in the 14 league games involving **Heath Hayes** while visitors **Uttoxeter Town** have seen 64 goals in their 16 games to date. Goalless draw anyone? A run of three unbeaten games has steadied the **Nuneaton Griff** ship and they travel to **Racing Club Warwick** looking to make it four without defeat. **Littleton's** recent good run was ended with two successive defeats while visitors **Bolehall Swifts** have picked up 6 points from 9. Should be a good game. **Chelmsley Town** have lost 7 league games on the trot and they host 19th placed **Cadbury Athletic**, who lost narrowly at leaders Studley in midweek.

Division 2

With leaders Hampton on cup duty, **NKF Burbage** can reclaim top spot with a win at **Fairfield Villa**. **Montpellier**, in 3rd, can also take over at the top with a win but they will find a revamped **Pelsall Villa** a tough prospect at The ML Safety Stadium. 4th placed **Knowle** welcome 7th placed **Feckenham** to The Robin's Nest and this looks to be a very close match up. **Bloxwich Town** have shown signs of improvement of late and they welcome **Earlswood Town** to The Old Red Lion Ground. Three successive league defeats has seen **Northfield Town** slip to 6th and they will hope to get back to winning ways when **Barnt Green Spartak** are the visitors to Shenley Lane.

Division 3

FC Stratford finally get back to league action and they take their 100% record to Hall Drive to face **Enville Athletic**, who are in 13th place. The bottom two meet at Cubbington and a win for **Leamington Hibernian** over **Castle Vale Town** would put 7 points between the two. **AFC Solihull** have won their last three and should they make it 4 on the trot at **Coventrians**, it could see them into the top 6. **Bartestree** can regain 2nd spot if they can beat visitors **Shipston Excelsior**. **Central Ajax** remain unbeaten into November and they will feel confident of maintaining this as they travel to The Hub to face lowly **Continental Star**. **Birmingham Tigers** and **CT Shush** both had 3-1 wins last week and they meet at Sedgemere Road.

Les James Challenge Cup Round 2

Division 2 **Droitwich Spa** face a tough game at Walshes Meadow as **Alcester Town**, in fine form in Division 3, are the visitors. **Smithswood Firs** are in excellent form and should have too much firepower for Division 3 **Inkberrow** when they meet at The Glades. **Moors Academy** took some time to find their feet in Division 2 but have moved into the top half of the table in recent weeks. They travel to New Mill Lane to face **Coton Green** who haven't really got going yet this season.

Presidents Cup Round 2

Hampton are the surprise packets in Division 2 this season and took over at the top of the table last weekend. They will start favourites at home to division rivals **Redditch Borough**.

Challenge Vase Round 2

GNP Sports have taken all before them in the league this season but have not found cup competitions to their liking. They travel to **Boldmere Sports & Social Falcons** with a semi-final place up for grabs.
