League News

WORCESTER City has published proposals for a new stadium at Parsonage Way with scope for expansion up to National League standard.

The club's vision begins with a 1,300 capacity ground that satisfies the Football Association's D grade, meaning City could get promoted to and remain in the division above their current Midland League Premier Division status.

A four-stage plan has been laid out for an eventual capacity of up to 5,000 within the boundary of the initial site.

Alongside the stadium, there is a training pitch with a pledge to make it available for community use alongside changing facilities and indoor space. The public has been invited to suggest how this is shaped.

Warndon Parish Council Chairman Ray Morris expressed concerns about access and parking which City plan to head off through a reciprocal arrangement with Worcester Warriors approximately one mile down the road.

City's facility would begin with 90 parking spaces with the potential to increase to 350 by the final stage. On parking and access, the published plans state: "The highways infrastructure will be put in place to serve the capacity of the final category (grade) A sized ground with new junctions on Parsonage Way providing dedicated in and out access which will be carefully designed to deal with the projected amount of vehicles.

"Our highways consultant Systra is in pre-planning application discussion with [Worcestershire County Council](#) and Highways England and are carrying out extensive survey work to ensure the ground does not get developed to the detriment of local infrastructure. "The category (grade) A ground will cater for circa 350 parking spaces. Each phase will be designed to council guidelines. "In addition, the club will be utilising park and ride us services on match days from the city centre, County Hall and [Sixways](#). During match days at Sixways, WRFC (Worcester Warriors) will be offering a park and ride from the new ground to ease parking on rugby home games."

Included is a letter from Warriors which acknowledges initial discussions regarding shared parking facilities but makes clear no agreement has been rubber stamped.

Premier Division

Game of the day sees the top two meeting at the CKW Stadium. **Sporting Khalsa** welcome **Coleshill Town** to their temporary home and a terrific encounter is in store between two excellent sides. 3rd placed **Bromsgrove Sporting** travel the sort journey to **Lye Town** who are gradually being sucked into the relegation battle. 4th placed **Worcester City** welcome bottom club **Shawbury United** to The Victoria Ground and they will need no reminding that Shawbury won the reverse fixture in Ludlow. **Coventry Sphinx** are on an excellent run of wins and they travel to Grange Park to face **Long Eaton United** who appear to have turned the corner with a new management team at the helm. There is a big game at The Butts Park Arena with 6th placed **Coventry United** hosting 7th placed **Highgate United**, both sides confident that they can get in the promotion mix. 2nd bottom **Quorn** picked up all three points last week in new manager Carl Abbott's first game in charge. They welcome **Westfields** to Farley Way with the visitors having 5 games in hand on the leaders. **Heanor Town** host **Loughborough University**, three weeks after The Students won the reverse fixture 3-1. **Rocester** sit just above the relegation zone but they are unbeaten in three and they welcome **Shepshed Dynamo** to Hillsfield. Two more sides just outside the relegation zone meet at the MJ Robinson Structures Arena with **South Normanton Athletic** hosting **Haughmond**, three weeks after they shared a 1-1 draw at The Village. 3rd bottom **Boldmere St Michaels** travel to Butlin Road to face mid-table **Rugby Town**. **Stourport Swifts** welcome **AFC Wulfrunians** to Walshes Meadow and with both sides recording some excellent results this season, this could be tight.

Division 1

The big games at the top of the table keep coming thick and fast and a week after a trip to Ilkeston Town, **Walsall Wood**, now in 5th place, welcome leaders **Leicester Road** to the ML Safety Stadium. The Road won the reverse fixture and are on a run of 7 straight league victories. 2nd placed **Ilkeston Town** have an even better record, winning the last 9 league games and they take this run of form to the TSA Stadium to face **Cadbury Athletic**. 3rd placed **Studley** travel to Green Lane to face bottom club **Coventry Alvis**, who are 3 points adrift. 4th placed **Hinckley AFC** have won their last seven which includes two games in the FA Vase and they welcome another in-form side, **Racing Club Warwick**, to St John's Park. 6th placed **Atherstone Town** slipped to a defeat last weekend and they will want to get back on the winning trail when **Uttoxeter Town** visit the Mark Webster Community Stadium. 2nd bottom, **Brocton** travel to Pack Meadow to face mid-table **Chelmsley Town** with the Badgers without a win in seven. **Stafford Town** are two points clear of the relegation zone and welcome free-scoring **Heather St Johns** to Evans Park. There is a local derby at the McDonalds Community Stadium with **Lichfield City** playing host to **Heath Hayes**, a game that promises much. **Littleton** are in fine form and they travel to The Trevor Brown Memorial Ground to face **Paget Rangers**. **Pershore Town** entertain **Bolehall Swifts** with both sides at the wrong end of the table.

Division 2

Leaders **NKF Burbage** host mid-table **Earlswood Town** with their lead cut to just three points. 2nd placed **Montpellier** welcome bottom club **Pelsall Villa** to The Beehive. The reverse fixture at the beginning of November ended in a goalless draw. 3rd placed **Hampton** travel to **Bloxwich Town** who have made a habit of upsetting the leading sides this season, particularly at The Red Lion Ground. **Feckenham** welcome **Droitwich Spa** to The Entaco with an eye firmly on the top four. **Knowle** are another side chasing a top four place and they travel to **Redditch Borough** who sit in 12th place. It's 9th versus 10th at Tally Ho! as **Moors Academy** entertain **Fairfield Villa**.

Division 3

Two in-form sides meet at Tudor Grange Leisure Centre with **AFC Solihull** at home to **Birmingham Tigers**. 2nd placed **Bartestree** can close the gap to a couple of points if they can take all three points off visiting **Inkberrow**. 3rd placed **Shipston Excelsior** travel to 10th placed **CT Shush**, a win for the visitors closing the gap on the leaders. At the bottom of the table 13th placed **Enville Athletic** welcome 15th placed **Castle Vale Town** to Hall Drive, 12th placed **Coventrians** host bottom club **Leamington Hibernian** with an opportunity to climb the table. 14th placed **Continental Star** travel to **Boldmere Sports & Social Falcons** with a four-point cushion to the bottom two.

Challenge Vase Semi-Final

GNP Sports, the Division 3 leaders, host **FC Stratford**, their main challengers, for a place in the final of the Challenge Vase. Stratford have picked up only one point from their last two league games after starting with 6 straight wins. GNP are sitting pretty with ten wins out of ten. Form says a home win, but this is a semi-final between two well matched sides. Should be a great advert for the competition.
