The FA have awarded us £1900 towards the Fair Play Awards for this season. Therefore the Board have decided that with the addition of an extra £100 the awards will be presented as follows:

There will be 6 awards: Premier Division, Division 1, Division 2, Division 3, Reserve Divisions combined and Under 21 Divisions combined.

The team with the best disciplinary award in each section will receive an award of £200, although the team with the best disciplinary record overall in the League will receive an award of £1000.

The awards are determined on 1 point for a caution and 3 points for a sending off, divided by the number of League and internal cup matches played in the season. The teams with the lowest 'averages' will win the awards, which will be announced at the Annual Dinner.

#### **Rule 6.2.1 - (Premier Division & Division One Clubs.)**

After 5.00pm on the fourth Thursday in March each season new registrations, new loans, and transfer of registrations will be declined or will be approved subject to such limitations and restrictions as the Board may determine and, if so determined, the Player shall only be eligible to play in the matches for which permission is granted by the Board.

#### **(Divisions One, Two, Reserve Divisions One and Two. Under 21 Divisions North West and South East).**

Players' registrations will normally be accepted until the end of the League season. The exception to this rule is that in any season a player who has registered for any team at Step 5 or above in the

National League System shall not be allowed to register as a player for any club in the League after 31st March, apart from clubs in the Reserve Division or Under 21 Division where a player is already a player for that club.

Please note that there is a printing error in the handbook for this rule whereby the following has been omitted but is applicable

There will be no Transfers of registration allowed after 5.00pm on the fourth Thursday in March each season.
