Buildbase FA Vase 2nd Round Qualifying

Romulus (MFLP) v Leicester Road (MFL1)

Premier Division Romulus and Division 1 Leicester Road have each only lost one game this season. Roms are 4th in the Premier Division but have found goals hard to come by. Leicester Road beat premier Division Haughmond in the previous round and had won all their matches to date until they were beaten in midweek at Uttoxeter Town. Should be a close encounter

Rocester (MFL1) vs Bewdley Town (WMRL)

Rocester are on a decent run of form, unbeaten in three and finding the net with regular intervals. They have been boosted by the return of last season's top scorer Jordan Dodd. Bewdley's season hasn't really started yet with only two league games, the last a remarkable 5-5 draw with Pershore Town. They reached this round with an excellent win at Wolverhampton Sporting Community.

Premier Division

Something will have to give as the top two face off at Grange Park. Both **Long Eaton United** and **Sporting Khalsa** have dropped just two points this season and they have scored 57 goals between them. Should be a great game for the neutral. **Newark** join the top two with having dropped just two points and they host **AFC Wulfrunians** who are unbeaten in five. **Gresley Rovers** welcome **Worcester City** to The Moat Ground in a game between two of the top supported sides in the division. New-look Rovers have been scoring plenty in recent games at The Moat while City have found points hard to come by away from Claines Lane. **Stourport Swifts** are on a run of four unbeaten with three wins. They welcome **Walsall Wood** to Walshes Meadow with The Wood having not picked up a point away from home this season. **Boldmere St Michaels** will hope to bounce back from a heavy midweek defeat when they welcome **Racing Club Warwick** to The Trevor Brown Memorial Ground. The Racers come into the game on the back of two excellent away performances in the past week. **Coventry Sphinx** are without a win in four after they had made a fine start to the season. They welcome **Lye Town** to the Ryona Engineering Supplies Stadium with the Flyers gathering improved results of late. **Coventry United** welcome **Haughmond** to The Butts Park Arena for their fifth consecutive home game. Conversely, Haughmond have played six of their seven league games away from the Sports Village picking up their only point at Walsall Wood. **Heather St Johns** welcome **Tividale** to St John's park with the teams coming into the game on the back of mixed results. Heather have just one win in their last five while Tividale were bundled out of the FA Vase last weekend and then bounced back with a 7-1 win over Boldmere in midweek.

Division 1

Leaders **Lichfield City** welcome **Atherstone Town** to The City Ground which sees Ivor Green and a handful of players up against their former side. This will add to the atmosphere but with both expected to be challenging for the top four this season, points rather than bragging rights are the most important. **Uttoxeter Town** can climb to 2nd place if they can take three points off visitors **Stapenhill**. Uttoxeter are on a run of five straight league wins while Stapenhill come to Oldfields on the back of an excellent FA Vase win at Step 5 Tividale. **Ashby Ivanhoe** welcome **Cadbury Athletic** to the NFU Sports Ground. Ashby have won three of their last four in the league to move into the top six. The Chocolatemens have lost their last four in the league but stunned league leaders Lichfield City in the FA Vase last weekend. **Chelmsley Town** welcome **Brocton** to Pack Meadow. Chelmsley have lost four of their five home games this season which leaves them in 14th place. The Badgers have lost once this season and are unbeaten away from home. **Coventry Copsewood** welcome **Paget Rangers** to Allards Way for a game near the foot of the table. Both sides score and concede plenty so it should be an entertaining afternoon. Mid-table **Kirby Muxloe** host 16th placed **Stafford Town**. Kirby have lost just the one league game this season and had an excellent win in midweek despite being down to ten men. Stafford have conceded eighteen goals in their last five league games but did well to come from 2-0 down to grab a point in midweek. 7th meets 9th at The Pingles Stadium with **Nuneaton Griff** hosting **Studley**. Griff have lost three of their last four, failing to score in each of those games, yet scored six in the other. Studley were on a run of six unbeaten until they lost to league leaders Lichfield in midweek.

League leaders **Solihull United** have dropped just two points this season and they take their unbeaten record to face near neighbours **Boldmere Sports** who have picked up just one point in their opening three home games. **Barnt Green Spartak** have made an excellent start to the campaign and are 2nd and unbeaten after six games. They host **Northfield Town** who have one win in seven but have drawn three of their four away games. 3rd placed **Coton Green** travel to The Red Lion Ground to face **Lane Head** who have two points from their opening six games. Apart from one game, all Lane Head's matches have been tight so expect much the same. **FC Stratford** take their unbeaten record to The Trico Stadium for **Feckenham's** first game at their new home. Both sides are expected to be challenging at the top end of the table as the season progresses and should be a lively encounter. There should be plenty of goals at The Robin's Nest where **Knowle** entertain **Earlswood Town**. There have been 58 goals in twelve matches involving these sides already this season. Another team regularly involved in high scoring encounters are **Coventry Alvis** and they travel to Rene Road to face **Bolehall Swifts** who have lost their last four. It's been a torrid start to the season for **Fairfield Villa** who are pointless after the opening five games of the season. They entertain **Alcester Town** who have picked up seven point in their last three outings. **Redditch Borough** welcome **Hampton** to the Mettis. Redditch suffered a heavy defeat last weekend, but this followed two good performances collecting four points in the process. Hampton have started well with just one defeat in seven.
