Buildbase FA Vase 1<sup>st</sup> Round Qualifying

**Boldmere St Michaels** set up a trip to Winsford United with a 4-0 win over **Brocton** at The Trevor Brown Memorial Ground. Further goals followed from Dan O'Sullivan, Kyle Byrne, and a sublime finish from Jack Burgess late on.

### Emirates FA Cup 2<sup>nd</sup> Qualifying Round

#### Mickleover Sport (NPL) vs Newark (MFLP)

Newark have made a remarkable start to the season winning all six games, the three in the FA Cup seeing them amass thirteen goals without conceding. Their 5-0 win at Step 3 AFC Rushden & Diamonds saw them progress to this round to face Northern Premier League Mickleover Sports. Mickleover had an excellent win at Leek Town to reach this round but have started slowly in the league losing their opening two games before an excellent home win in midweek over Witton Albion. Newark will head into the game with confidence and it would be no surprise to witness another giant killing from the Highwaymen.

#### Premier Division

It's bottom versus top on Saturday with league leaders **Sporting Khalsa** travelling to Parish Hall to face **Selston**. Khalsa have dropped just two points in their seven opening fixtures while Selston are searching for their first point having conceded 27 goals in their opening five fixtures. **Long Eaton United** have rattled in a remarkable 26 goals in their four opening victories. They welcome **Racing Club Warwick** to Grange Park with the Racers picking up a solitary point in their last three games after a good start. **Gresley Rovers** climbed to third in midweek and they welcome 2<sup>nd</sup> bottom **Haughmond** to The Moat. The Moatmen have won three of their last four while Haughmond picked up their solitary point last time they were on the road. **Coventry United** welcome **Stourport Swifts** to the Butts Park Arena looking for their third consecutive home win. Swifts have lost their last three games by a single goal and will be hoping to get back to the form they showed in the opening three games. **Tividale** welcome **Romulus** to The Beeches no doubt buoyed by their midweek away win at Highgate. Roms have won their last three in all competitions and will be hoping to make it four on the spin. **Boldmere St Michaels** have won both of their opening home games and they welcome **AFC Wulfrunians** to The Trevor Brown Memorial Stadium. Wulfs are unbeaten in three and have made a solid start to the season. **Heather St Johns** welcome **Coventry Sphinx** to St Johns Park looking for a reaction following a midweek thumping at Long Eaton. Sphinx have started the season in fine form with cup competitions delaying their league campaign. **Lye Town** welcome **Worcester City** to The Sports Ground for what should be a big crowd. Lye's run of unbeaten games was ended in midweek by Walsall Wood while City have lost both of their away matches to date.

## Division 1

With leaders Leicester Road inactive for the second Saturday running, it gives the others a chance to close the gap. Should be a cracking Staffordshire derby at The McDonalds Community Stadium where **Lichfield City** host **Brocton**. An opening day defeat is the only blot on City's copybook this season while The Badgers remain unbeaten after four games. **Nuneaton Griff** have made an excellent start to the season and they welcome **Chelmsley Town** to The Pingles Stadium. Chelmsley have four points from their opening seven games and will be hoping to build on their midweek win. There is another all Staffordshire clash at The Coppice Colliery Ground with **Heath Hayes** hosting **Rocester**. Hayes picked up a win in midweek after a run of four winless games while Rocester have won three of their last four to move into the top six. **Coventry Copsewood** host **Stafford Town** with Copsewood's solitary win this season coming in their previous game at Allard Way. Stafford won their only away game this season and will be looking to bounce back from a couple of heavy home defeats. **GNP Sports** welcome **Atherstone Town** to The Ryona Engineering Supplies Stadium. GNP won on the opening day of the season but have found results difficult to come by. The Adders have lost their last three which has dented their start to the season. **Hinckley AFC** welcome **Paget Rangers** to Kirkby Road with a good away win in midweek fresh in the memory. Paget have won two of their seven opening games scoring three on both occasions. **Kirby Muxloe** play their opening home game of the season following groundworks when **Studley** are the visitors. Kirby suffered their only defeat last time out at the hands of the league leaders while Studley have improved after a slow start with three straight victories. **Stapenhill** welcome **Ashby Ivanhoe** to Maple Grove. The Swans have started well but one point from their last two games dropped them down the table. Ashby have failed to score in their two previous away games but have found goals easier to come by at home.

## Division 2

It's a real top of the table clash at The Robin's Nest where 2<sup>nd</sup> placed **Knowle** entertain league leaders **Solihull United**. Two unbeaten records, two points between them, all set up for a humdinger. 3<sup>rd</sup> placed **Earlwood Town** entertain **Feckenham** who have started with four points from their opening three fixtures. **FC Stratford** take their unbeaten record to The Mettis to face **Redditch Borough** who have lost their previous two home games. **Barnt Green Spartak** are also unbeaten, and they travel to Rene Road to face **Bolehall Swifts** who have had four straight home defeats without scoring a goal. **Hampton** lost their first game of the season last weekend and they welcome **Northfield Town** to The Boggery. **Fairfield Villa** are the only side without a point, and they entertain **Coton Green** who have won two out of five. **Lane Head** are still looking for their first win and they travel to **Alcester Town** who have gone four games without a win. **Coventry Alvis** have been the great entertainers if you like goals at both ends of the pitch. They travel to **Boldmere Sports** with whom they are level on points.

## Division 3

Four sides still have 100% records as we move into October. Leaders **Coventrians** welcome **Central Ajax** to The Colliery Club Ground. Coventrians have scored seventeen goals in winning their four opening games while Ajax have scored twelve winning their first three. Should be a thriller. **Kenilworth Sporting** take their 100% record to last season's league leaders **Sutton United** who have had a mixed start to the season. **Inkberrow** have averaged over five goals per game in their three wins and they had a county cup victory too last weekend. They host **Tamworth Academy** who had a big win on the road last weekend. **Enville Athletic** dropped their first points of the season last weekend and they welcome **Leamington Hibernian**, still searching for their first point, to Hall Drive. Two sides without a point meet at Castle Vale Stadium. **Castle Vale Town** have conceded 30 goals in losing their opening five games while visitors **Welland** are pointless after two games. **Birmingham Tigers** welcome **AFC Solihull** to Hadley Stadium with both sides involved in some high scoring games. **Upton Town** welcome **Continental Star** to Upton Hill with both sides looking to get back to winning ways. **WLV Sport** picked up their first point of the season last weekend and they welcome **FC Shush** to Gorway Road.
