## NPOSPAY

The Midland Football League are delighted to announce NPosPay as their Payments Partner NPosPay are specialists in all aspects of taking card payments and EPOS till systems, working with hundreds of sports clubs from Grass roots, to top flight professional clubs who get over attendances over 50,000 per game.

Explaining what the deal means for individual clubs, NposPay's Managing Director, Chris Norminton, said: 'By being affiliated to the Midland Football League, clubs will receive preferential low rates on their card processing as well as ideas on how to increase turn over by accepting payments in different areas and access to a fantastic loyalty system for members and fans.'

Nigel Wood, MFL League Secretary added: 'We have set up several new partnerships for the 2022/23 season and involving a company like NposPay is opportune. One of the after effects of the pandemic has been a wholesale shift to card payments even at the smallest club.

'We were impressed with NPosPay's stated aims of helping clubs cut costs and find advantageous rates for their card machines and transaction fees. It is a new cost for many clubs and anything that helps clubs save money in these difficult times has to be welcome.'

NposPay will be contacting clubs in the Midland Football League in the next few weeks in the run-up to the busy Christmas period.

# NEW SPONSORSHIP DEALS ANNOUNCED

**Leading European sports brand Hummel are the latest company to tie up a deal with the Midland Football League.**

**The Denmark based football sportswear and clothing manufacturer have in the past supplied kit to the likes of Tottenham Hotspur, Real Madrid, Aston Villa and Benfica but have always been fully supportive of grass roots football, with a stated mission to change the world through sport.**

The new partnership will see clubs in the Midland Football League Division Two and Three wearing Hummel branded bench wear at matches and the MFL will promote the company as its brand of choice across all 120 clubs.

It follows on from separate relationships with Mark Harrod Sports Products, United Gas and Power, NposPay card readers and Wiseman Lighting, all of who are on board with the MFL this season.

Representatives of Hummel were at Enville Athletic one of the Division 2 & 3 member clubs who will be using their sportswear.

Chairman of the MFL Mike Joiner said: "We are delighted to have such a prestigious brand associated with the league.

"The new partnership is one of several the league has announced in recent weeks – all aimed at helping our member clubs and sponsorship and these sort of collaborations are vital to us.

"I'm sure Hummel will provide a great service to clubs in our league going forward as will all our sponsors and we encourage everyone involved with our clubs to use their services when they can."

James Golden, Hummel's Head of Teamsport, UK and Ireland added: "Non-league football is the heartbeat of the game and it seemed an obvious fit for our brand to be involved in this level of the football.

"We look forward to working with the league (MFL) over the coming seasons and engaging with clubs across the Midlands."

**For more information on sponsorship opportunities with the MFL call John Booth on 0777 191 678.**
