## Reminders from the Registrations Secretary

- Only Club Officials named as the Signatories on the Form D will be accepted on Registration or Transfer Forms. If the officials have changed at your Club please send a copy of the new signatory to John Walsgrove.
- When Clubs are making a transfer, you only have to fill in the transfer Form. You do not have to enter the Player onto FULL TIME site.  
If the Form is fully completed and correct the Registration Officer will then make the transfer on Full Time. He is the only person who can make the transfer.
- Again, Clubs are reminded that when transferring a player electronically you must enter the date and time you are sending the electronic form to the Registration Officer.

- When completing a **transfer** the player's present Club must enter whether that player is cup tied by entering the name of the competition and date that he played. (*Internal Cup Competitions only*)
- All original Registration and **Transfer** Forms must be sent to the Registration Officer for verification within 5 days of the electronic form being e-mailed, scanned or faxed.
- Failure to follow the above reminders will result in the approval of registrations and transfers being delayed until the forms have arrived.
